**Re: Beach Volleyball European Championship Final and Board of Administration Meeting**

Dear Mr. MAGRI,

On behalf of the CEV Board of Administration, we hereby thank your National Federation for organizing the 2014 CEV Beach Volleyball European Championship Final in Cagliari, as well as for hosting the CEV Board of Administration meeting on the same occasion.

We much-appreciated this invitation and the opportunity given to our members to be present on the occasion of the 2014 CEV Beach Volleyball European Championship Final. Please forward our thanks also to the Regional Organizing Committee, who was together with the appointed FIPAV responsible hard-working on the realization of this event over the past six weeks.

Despite a late change of venue which caused inconveniences and difficulties for all parties involved, this competition benefited from a beautiful location and were rewarded with the amazing victory of the Italian men duo **Daniele Lupo and Paolo Nicolai**.

The professionalism of these two players, their outstanding performances and their perseverance led them to the final which they won with much merit. Their gold medal was well deserved and rewards Italy for its hard work and dedication to the development and promotion of Beach Volleyball.

With this in mind, we warmly congratulate Mr. Lupo and Mr. Nicolai for their achievement and your national federation for its ongoing work and many successes.

CEV will now carefully analyse the Final Report from our officials and come back to you with further feedback in due time.

Thanking you once more for your contribution, we remain,

Sincerely Yours,

André MEYER  
CEV President

Thorsten ENDRES  
CEV Administrative Director
